

ASPEN **INTEGRATIVE**
MEDICINE

Menu of Services

Welcome to the Aspen Wellness Club — where true healing begins from within. Our advanced **bioactive plasma** treatments harness the power of your body's own growth factors and **stem cells** to accelerate recovery from pain, sports injuries, and brain injuries — and to rejuvenate your skin naturally through regenerative facials. Combined with powerful **peptides**, precision labs, and **cutting-edge IV therapies**, we help you restore balance, enhance performance, and feel radiant inside and out.
